

CAN'T FIGHT THE FUNK

Well, the first time you hear it, you won't be the same.
Don't try to hide it, ain't no one to blame.
Just get out on the floor and show 'em your spunk.
'Cause ain't no doubt about it, you can't fight the funk.

Well the Doctor is here, gettin' down to the point.
Everybody is movin', the entire joint.
So put on your groove, it can be a slam dunk.
'Cause when it comes right down, you know you can't fight the funk.

What you heard on the radio, you heard a million times.
It's the same old product, with the same old lines.
We had to find our sound, not the tired old junk.
That's why we're out here, spreadin' the funk.

Now you caught the fever, you worked up a sweat.
Well Doctor Funk has got the cure, so don't you fret.
