

NEW RED SLEDS

CHORUS:

New red sleds, got me movin'.
New red sleds, got me groovin'.
New red sleds, got me movin'.
New red sleds, got me groovin'.

I am the man, I'm feelin' like a million bucks.
Flyin' with the king, watch while I do my thing.
I am the man, I'm feelin' like a million bucks.
Flyin' with the king, hey watch while I do my thing.

CHORUS

Messin' with the kid, diggin' with the fancy lid.
Checkin' out the threads, stylin' with the new red sleds.
Messin' with the kid, diggin' with the fancy lid.
Checkin' out the threads, stylin' with my new red sleds.
