

# RIGHT HERE

I'm up, and I can't sit down.  
And I look for you each night around this crazy town, all right.  
And I talked to Jean and Joe.  
And they told me that you're not around, your not alone.  
Stop baby, let me simplify things, I'm in love with you.  
Woh lover, let me clarify that, I'm in love.

## CHORUS:

I need you, right here.  
Right now.  
Right here.  
In my house.

You love, to stir me up.  
And you know I would be lying if I said enough.  
You turn me inside out.  
And you know me like a book, and I'd be lost without.  
You baby, let me simplify things, I'm in love with you  
Woh woman, let me clarify that, I'm in love with you

And did you know, that the first time that I saw you  
I knew it was love?  
Through the good times, through the bad times.  
Baby rain, wind or shine. . .ALWAYS!

## GUITAR SOLO

So what, if it takes a lot.  
For forever feelings to belong to what we got.  
Stop baby, let me simplify things, I'm in love with you.  
Woh woman, let me clarify that, I'm in love with you.  
Stone in love with you.  
I'm in love.

## CHORUS
